Come on thrill seekers, come wave jumping in the Port's high-powered

THUNDARAFT

It's big

It's thrilling

It's 400HP of sheer excitement!

Totally safe - totally fun!!!

Our high tech Gemini 8.5 metre rigid inflatable boat, crewed by factory trained experts, is the same as vessels used by the SAS and Water Police. The best life jackets available are supplied ensuring your comfort and safety. Height and medical restrictions apply.
